

Table Community Covenant

Example

As a member of a Table Community I covenant to:

- Pursue a life of missional discipleship; abiding deeply with Jesus and living missionally in the world.
- Press into Jesus' way of life – seeking growth in God's love, using spiritual practices, investing in community, and engaging mission.
- Make my TC a priority; meet regularly, and pray for my community between gatherings.
- Contribute to the rhythms and practices of my TC, including hospitality and food as guided by the leaders.
- Be honest, receive guidance, share wisdom, and hold confidence.
- Help children engage with the community (see "Intro to TC").
- Work toward reconciliation, as soon as possible, if conflict arises; ideally in-person or over the phone. (see "Intro to TC")
- Prayerfully consider tithing to The Table to advance its mission in St. Louis.
- Watch over my community with love.
