

WHERE HAVE YOU SEEN GOD?

Where have you sensed God's presence?

How has God answered prayer?

When did God prompt you or strengthen you to do something?

Did God provide for some need?

How can you give thanks to God?

When have you wondered,
"Where is God"?

How has God spoken to you through Scripture, prayer, fasting, etc.?

How has God blessed you through others?

What/where could you say,
"Only God could do that"?
